SHELBY F-150 OFF-ROAD

Championship Edition

Carroll Shelby

810+ HORSEPOWER
LIMITED TO 54 UNITS

Shelby F-150 Off-Road ***Championship Edition*** | *Based on a Lariat 4x4 Supercrew Ford F-150*

The Shelby F-150 Off-Road Championship Edition is a tribute to one of the most important moments in American motorsports history. In 1966, Shelby American captured victories at Sebring, Daytona, and Le Mans, an achievement that continues to define the brand today. This truck celebrates that legacy with a limited production of just 54 vehicles, each one finished in a heritage-inspired color honoring those iconic wins.

Powered by an 810+ horsepower supercharged V8, the Championship Edition delivers exceptional performance both on and off the road. A proprietary suspension system, 35-inch tires, and premium braking components ensure capability across a wide range of driving conditions.

Each truck is completely repainted, striped, and badged, making this the first Shelby truck of its kind to feature such an exclusive finish. Inside, custom leather seating, carbon fiber accents, and serialized identification reinforce its collectable status.

Limited to just 54 units and documented in the official Shelby Registry, the Championship Edition Shelby F-150 represents a rare opportunity to own a modern expression of Shelby performance and heritage.

Standard Features
