

SHELBY RAPTOR

Raja

Shelby Raptor & Shelby Raptor R | Based on a F-150 Raptor & F-150 Raptor R

The 2026 Shelby F-150 Baja Raptor lineup brings Shelby performance, style, and capability to one of the most respected off-road platforms in the world. Available in both EcoBoost Raptor* and Raptor R* configurations, this limited-production truck is engineered for drivers who want commanding power, rugged hardware, and unmistakable Shelby presence.

The Shelby F-150 Baja Raptor features a Shelby-engineered EcoBoost performance upgrade producing 555 horsepower, supported by an open-air performance intake, oversized intake tube, performance aluminum intercooler, and Shelby-tuned BORLA exhaust. For the ultimate high-performance Shelby truck experience, the Shelby Raptor R features a Shelby-engineered 3.8L Whipple-supercharged V8 producing up to 1,000+ horsepower, paired with a dual-core dual-pass intercooler system and Shelby-tuned BORLA exhaust.

Every truck receives serious off-road upgrades, including 37" BFG KM3 Mud Terrain tires, 18" two-tone off-road wheels, premium lift springs, power deployable XL running boards, front and rear Addictive Desert Designs bumpers, Vision X LED lighting, a Shelby Baja bed chase rack, full body rally stripes, and bold Baja Raptor graphics.

Inside, Shelby-designed leather seating, carbon fiber aesthetic trim, billet racing pedals, embroidered floor mats, and CSM serialized badging deliver a cabin worthy of the Shelby name.

Built in limited quantities visit www.Shelby.com today for more details and to build your Shelby Raptor.
